

DISCIPLINARY CONSENT ORDER

12 March 2015 PURSUANT TO RULE 5 OF THE IPA INVESTIGATION COMMITTEE RULES

Mark Allen, of Belfast, Northern Ireland, an IPA Member and Licensed Insolvency Practitioner. This order is made in relation to a complaint from a debtor that Mr Allen breached the fundamental principle of professional competence and due care by taking an unreasonable length of time to close the debtor's IVA and that he inappropriately sought to make PPI compensation claims. Accordingly Mr Allen was found liable to disciplinary action under the IPA's Articles of Association. The Investigation Committee decided to impose a disciplinary order that Mr Allen be reprimanded, pay a fine of £1,000 and make a contribution towards costs.
