

## **INSOLVENCY PRACTITIONERS ASSOCIATION (IPA)**

### **Statement re monitoring of debt management companies**

The IPA, a Recognised Professional Body under the Insolvency Act 1986 for the purposes of regulating Insolvency Practitioners, has for some years also undertaken monitoring of members of the Debt Resolution Forum (DRF). Our monitoring work for DRF was concluded in December 2015, and as a consequence the IPA no longer monitors its member debt management companies.
