**Certificate of Proficiency in Insolvency (CPI) for England & Wales 2017**

**Certificate of Proficiency in Personal Insolvency (CPPI) for England & Wales 2017**

**Certificate of Proficiency in Corporate Insolvency (CPCI) for England & Wales 2017**

The IPA's suite of exams sittings for 2017 will now incorporate the testing of the newly-published Insolvency (England & Wales) Rules 2016 which come into effect on 6 April 2017.

Historically the exams are set based upon the law and best practice as at 1 January. However, the IPA has recognised the importance of these changes as one of the most significant developments in the last thirty years and therefore has taken the opportunity to embrace this and incorporate the new Rules within the syllabus for 2017.

We can confirm that the various training providers have been formally notified of the change and have ensured the IPA that they will be able to accommodate the change, and so we at the IPA are confident that those wishing to study for the 2017 exams can do so with the necessary support provided by the training providers.
